## XC II 800 Pro

**BIZERBA**

*Modern PC technology in a compact design is what the X-Class II Pro series stands for. Benefit from an integrated 3-in-1 printer. This device allows convenient, intuitive and fast operation via touchscreen. Enjoy more performance due to a large RAM. All models are provided with a powerful Intel® Quad Core processor. Ideally suitable for new features or individual requirements.*

**More information**
High performance with a wide range of solutions and options.

### Product description

The Bizerba XC II 800 Pro provides you with functions for a modern fresh food counter: Weighing, labeling, advising customers and transactions are possible with this scale. Communicate information, advertising contents and cross selling campaigns via a brilliant customer display. Combined with a cash register drawer this counter scale becomes an efficient checkout solution.

A powerful and open PC platform ensures high performance: The large RAM has sufficient memory to let you implement new features or individual requirements. Even the use of 3rd-party software presents no problem.

The 3-in-1 printer is unique on the market: With just one device you can print receipts, labels or linerless paper. Replacing a paper roll is a very fast and intuitive process.

XC II 800 Pro with 10.1" operator display

### Highlights
